

BURNIE MCGINNIS AWARD

The **Burnie McGinnis Award** is given to an individual that has made a significant impact on construction or facilities maintenance safety throughout his or her career or someone who has been instrumental in furthering CCS and its mission of eliminating construction and facilities maintenance jobsite injuries and illnesses.

The award is named for Burnie McGinnis, father of Hoosier basketball legend and CCS supporter George McGinnis, who died in a construction jobsite accident in the late 1960's. To honor him and the thousands of other workers who have given their lives in service to the construction industry, the Burnie McGinnis Award is **the most prestigious award presented to an individual by CCS.**

Due to the high standards and prestige of this award, it is not necessarily awarded each year. The panel of judges reviews the nominations to determine if any nominee meets the stringent criteria.

The award will be announced at the Annual CCS Awards Celebration on April 25, 2024 at the Scottish Rite Cathedral. ***All nominees should be present at the Awards Celebration so that they will be able to accept the award in person in the event that they win.***
